Solution for Healthier,  
Happier Independent  
Business Owners!

## The Metrics Global Marketplace

**A completely free service that provides a hassle-free way for you to offer health, dental, vision and life insurance through a trusted provider.**

**This 1-Stop Marketplace an Ideal Way to:**

- ◆ Provide a hassle-free path to insurance coverage for team members - regardless of size
- ◆ Increase loyalty and retention among team members
- ◆ Add a revenue stream through marketing revenue, with no increased cost to your team\*
- ◆ Offer a professional, online marketplace platform in 10 days

**To schedule a 30-minute demo, call (888) 891-5445 ext. 715 today.**

### Provide Value

Deliver a valuable resource from a trusted insurance provider without devoting internal staff and time to the fluctuating healthcare environment.

Increase Loyalty and Retention Throughout Your Team.

Provide Free Access to Coverage and Trained Insurance Consultants.

### Provide Coverage

The Metrics Global Marketplace is a free, easy-to-use, professionally designed online shopping platform backed by 40+ years of experience and 400 licensed insurance consultants.

Now you can offer your team members access to a professional online platform where they can compare and purchase their own individual insurance policies from a variety of national and regional A-rated insurance companies.

Free, US-based phone support specific to your geographic region is available both during sign-up and throughout the coverage period should complications with pre-approval or claims coverage arise.

**Getting Started is Easy**

**Call (888) 891-5445 ext. 715 Today**

**and The Program Could Be in Place Within 10 Days.**

### Highlights:

- ◆ Branded, professional online marketplace platform available for larger organizations
- ◆ Offers both subsidized and unsubsidized products and enrollment
- ◆ Backed by a team of licensed and Medicare certified consultants
- ◆ Provide the products and resources your team members need while you earn income\*
